

Trend Hunter Accessibility Policy

Statement of Organizational Commitment

Trend Hunter is committed to ensuring equal access and participation for people with disabilities. We are committed to treating people with disabilities in a way that allows them to maintain their dignity and independence. We believe in integration and we are committed to meeting the needs of people with disabilities in a timely manner. We will do so by removing and preventing barriers to accessibility and meeting our accessibility requirements under the *Accessibility for Ontarians Disabilities Act* and Ontario's accessibility laws.

Trend Hunter is committed to meeting its current and ongoing obligations under the Ontario Human Rights Code respecting non-discrimination

Trend Hunter understands that obligations under the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) and its accessibility standards do not substitute or limit its obligations under the Ontario Human Rights Code or obligations to people with disabilities under any other law.

Trend Hunter is committed to excellence in serving and providing goods, services or facilities to all customers including people with disabilities.

Our accessible customer service policies are consistent with the principles of independence, dignity integration and equality of opportunity for people with disabilities.

Training

We are committed to training all staff and volunteers in accessible customer service, other Ontario's accessibility standards and aspects of the Ontario Human Rights Code that relate to persons with disabilities.

In addition, we will train:

- a) all persons who participate in developing the organization's policies; and
- b) all other persons who provide goods, services or facilities on behalf of the organization

Training of our employees and volunteers on accessibility relates to their specific roles. Training includes:

- purpose of the Accessibility for Ontarians with Disabilities Act, 2005 and the requirements of the Customer Service Standards
- our policies related to the Customer Service Standards
- how to interact and communicate with people with various types of disabilities

- how to interact with people with disabilities who use an assistive device or require the assistance of a service animal or a support person
- how to use the equipment or devices available on-site or otherwise that may help with providing goods, services or facilities to people with disabilities. These include:
- List Equipment/Devices: Freight elevator
- what to do if a person with a disability is having difficulty in accessing our organization's goods, services or facilities.

We train every person as soon as practicable after being hired and provide training in respect of any changes to the policies.

We maintain records of the training provided including the dates on which the training was provided and the number of individuals to whom it was provided.

Assistive Devices

People with disabilities may use their personal assistive devices when accessing our goods, services or facilities.

In cases where the assistive device presents a significant and unavoidable health or safety concern or may not be permitted for other reasons, other measures will be used to ensure the person with a disability can access our goods, services or facilities.

If applicable, identify other measures

We ensure that our staff are trained and familiar with various assistive devices we have on site or that we provide that may be used by customers with disabilities while accessing our goods, services or facilities.

If applicable, identify how your organization will train staff on the use of assistive devices

Communication

We communicate with people with disabilities in ways that take into account their disability. This may include the following: List Different Ways to Communicate

Accommodation requests regarding candidate interviews

We will work with the person with disabilities to determine what method of communication works for them.

Service Animals

We welcome people with disabilities and their service animals. Service animals are allowed on the parts of our premises that are open to the public and third parties.

When we cannot easily identify that an animal is a service animal, our staff may ask for documentation (template, letter or form) from a regulated health professional that confirms the person needs the service animal for reasons relating to their disability.

A service animal can be easily identified through visual indicators, such as when it wears a harness or a vest, or when it helps the person perform certain tasks.

A regulated health professional is defined as a member of one of the following colleges:

- College of Audiologists and Speech-Language Pathologists of Ontario
- College of Chiropractors of Ontario
- College of Nurses of Ontario
- College of Occupational Therapists of Ontario
- College of Optometrists of Ontario
- College of Physicians and Surgeons of Ontario
- College of Physiotherapists of Ontario
- College of Psychologists of Ontario
- College of Registered Psychotherapists and Registered Mental Health Therapists of Ontario

If service animals are prohibited by another law, we will do the following to ensure people with disabilities can access our goods, services or facilities:

- explain why the animal is excluded
- discuss with the customer another way of providing goods, services or facilities

Support Persons

A person with a disability who is accompanied by a support person will be allowed to have that person accompany them on our premises.

In certain cases, this organization might require a person with a disability to be accompanied by a support person for the health or safety reasons of:

- the person with a disability
- others on the premises
- Before making a decision, this organization name will:
- consult with the person with a disability to understand their needs
- consider health or safety reasons based on available evidence
- determine if there is no other reasonable way to protect the health or safety of the person or others on the premises

Notice of Temporary Disruption

In the event of a planned or unexpected disruption to services or facilities for customers with disabilities, this organization will notify customers promptly. This clearly posted notice will include information about the reason for the disruption, its anticipated length of time, and a description of alternative facilities or services, if available.

Services/Facilities include: Toronto office. Location: unit 206, 26 Soho Street, Toronto ON, MST 127

The notice will be made publicly available in the following ways: Email

Feedback Process

Trend Hunter welcomes feedback on how we provide accessible customer service. Customer feedback will help us identify barriers and respond to concerns.

Feedback may be provided in the following ways: Email to our Human Resources department
Email to our Client Relations department

All feedback, including complaints, will be handled in the following manner: Feedback will be directed to the department manager and the client account holder. Customers can expect to hear back in five (5) days.

Trend Hunter ensures our feedback process is accessible to people with disabilities by providing or arranging for accessible formats and communication supports, on request.

Trend Hunter notifies the public that documents related to accessible customer service, are available upon request by posting a notice in the following location(s)/way(s): Email Human Resources at michael@trendhunter.com

Trend Hunter will provide these documents in an accessible format or with communication support, on request. We will consult with the person making the request to determine the suitability of the format or communication support. We will provide the accessible format in a timely manner and, at no additional cost.

Information and Communications

We have a process for receiving and responding to feedback and the process is accessible to persons with disabilities upon request.

We communicate with people with disabilities in ways that take into account their disability. When asked, we will provide information about our organization and its services, including public safety information, in accessible formats or with communication supports:

- a) in a timely manner, taking into account the person's accessibility needs due to disability;
- and
- b) at a cost that is no more than the regular cost charged to other persons.

We will consult with the person making the request in determining the suitability of an accessible format or communication support. If the organization determines that information or communications are unconvertible, the organization shall provide the requestor with:

- a) an explanation as to why the information or communications are unconvertible; and
- b) a summary of the unconvertible information or communications.

We notify the public about the availability of accessible formats and communication supports by Email

We will also meet internationally-recognized Web Content Accessibility Guidelines (WCAG) 2.0 Level AA website requirements in accordance with Ontario's accessibility laws.

Employment

We notify employees, job applicants and the public that accommodations can be made during recruitment and hiring. We notify job applicants when they are individually selected to participate in an assessment or selection process that accommodations are available upon request. We consult with the applicants and provide or arrange for suitable accommodation.

We notify successful applicants of policies for accommodating employees with disabilities when making offers of employment.

We notify staff that supports are available for those with disabilities as soon as practicable after they begin their employment. We provide updated information to employees whenever there is a change to existing policies on the provision of job accommodation that take into account an employee's accessibility needs due to a disability.

We will consult with employees when arranging for the provision of suitable accommodation in a manner that takes into account the accessibility needs due to disability. We will consult with the person making the request in determining the suitability of an accessible format or communication supports specifically for:

- a) information that is needed in order to perform the employee's job; and
- b) information that is generally available to employees in the workplace

Where needed, we will also provide customized emergency information to help an employee with a disability during an emergency. With the employee's consent, we will provide workplace emergency information to a designated person who is providing assistance to that employee during an emergency.

We will provide the information as soon as practicable after we become aware of the need for accommodation due to the employee's disability.

We will review the individualized workplace emergency response information:

- a) when the employee moves to a different location in the organization;
- b) when the employee's overall accommodations needs or plans are reviewed; and
- c) when the employer reviews its general emergency response policies.

We have a written process to develop individual accommodation plans for employees.

We have a written process for employees who have been absent from work due to a disability and require disability-related accommodations in order to return to work.

Our performance management, career development and redeployment processes take into account the accessibility needs of all employees.

Changes to Existing Policies

Any policies of this organization that do not respect and promote the principles of dignity, independence, integration and equal opportunity for people with disabilities will be modified or removed.

Multi-Year Accessibility Plan

Message from the CEO

Trend Hunter and its leadership team is proudly committed to upholding accessibility in every aspect of the business. We believe accessibility is not just a legal or ethical obligation, but a fundamental part of our mission to serve and empower every individual, regardless of their abilities. We are committed to treating people with disabilities in a way that allows them to maintain their dignity and independence. We will do so by removing and preventing barriers to accessibility and meeting our accessibility requirements under the Accessibility for Ontarians with Disabilities Act and Ontario's accessibility laws.

In the digital realm, we are specifically committed to ensuring that our website and online services are accessible to everyone, including people with disabilities. Our team is continuously working to enhance our digital platforms to ensure they are user-friendly for all.

Accessibility is an ongoing journey, and we are committed to learning, growing and improving in this area. We welcome feedback from our customers on how we can better meet their needs. Inclusion and accessibility are at the heart of our values at Trend Hunter. We are dedicated to

ensuring that everyone, regardless of their physical or cognitive abilities, has equal access to our services and products. Together, we can create a more inclusive and accessible world.

Trend Hunter strives to meet the needs of its employees and customers with disabilities and is working hard to remove and prevent barriers to accessibility.

Trend Hunter is committed to fulfilling our requirements under the Accessibility for Ontarians with Disabilities Act, 2005. This accessibility plan outlines the steps we are taking to meet those requirements and to improve opportunities for people with disabilities.

Our plan shows how we will play our role in making Ontario an accessible province for all Ontarians. The plan is reviewed and updated at least once every 5 years.

We train every person as soon as practicable after being hired and provide training in respect of any changes to the policies.

We maintain records of the training provided including the dates on which the training was provided and the number of individuals to whom it was provided.

In this section, you have the opportunity to highlight specific projects and programs your organization has implemented to improve accessibility for people with disabilities and to meet requirements of the Accessibility for Ontarians with Disabilities Act Under each heading, add an introductory paragraph, if you wish, and provide information in bullets. You may also want to add a paragraph describing the corporate approach to addressing barriers. Disregard any headings that do not apply.

Trend Hunter has completed the following accessibility initiatives.

Customer Service

Trend Hunter provide information detailing actions your organization took to comply with the customer services standard. Include a statement confirming that your organization has remained in compliance with the Customer Service Standards, how customer feedback was submitted, actions to address the feedback received and actions your organization took to identify/address potential barriers that may prevent people from giving feedback.

Detail actions and list initiatives from past years.

Trend Hunter has remained in compliance with all Customer Service Standards. All feedback can be delivered to Trend Hunter via email found on our website. All feedback is taken into consideration as we strive to make our company more accessible to all.

Information and Communications

Trend Hunter will continue to communicate with people with disabilities in ways that take into account their disability. When asked, we will provide information about our organization and its services, including public safety information, in accessible formats or with communication supports:

- a) in a timely manner, taking into account the person's accessibility needs due to disability; and
- b) at a cost that is no more than the regular cost charged to other persons.

We will continue to consult with the person making the request in determining the suitability of an accessible format or communication support. If the organization determines that information or communications are unconvertible, the organization shall provide the requestor with:

- a) an explanation as to why the information or communications are unconvertible; and
- b) a summary of the unconvertible information or communications.

We will continue to notify the public about the availability of accessible formats and communication supports by

We will also meet internationally-recognized Web Content Accessibility Guidelines (WCAG) 2.0 Level AA website requirements in accordance with Ontario's accessibility laws.

Employment

We will continue to notify employees, job applicants, and the public that accommodations can be made during recruitment and hiring. We notify job applicants when they are individually selected to participate in an assessment or selection process that accommodations are available upon request. We consult with the applicants and provide or arrange for suitable accommodation.

We will continue to notify successful applicants of policies for accommodating employees with disabilities when making offers of employment.

We will continue to notify staff that support is available for those with disabilities as soon as practicable after they begin their employment. We provide updated information to employees whenever there is a change to existing policies on the provision of job accommodation that take into account an employee's accessibility needs due to a disability.

We will continue to consult with employees when arranging for the provision of suitable accommodation in a manner that takes into account the accessibility needs due to disability. We

will consult with the person making the request in determining the suitability of an accessible format or communication support specifically for:

- a) information that is needed in order to perform the employee's job; and
- b) information that is generally available to employees in the workplace

We will continue to provide the information as soon as practicable after we become aware of the need for accommodation due to the employee's disability.

We will continue to review the individualized workplace emergency response information:

- a) when the employee moves to a different location in the organization;
- b) when the employee's overall accommodations needs or plans are reviewed; and
- c) when the employer reviews its general emergency response policies.

Training

We will continue to train all staff and volunteers in accessible customer service, other Ontario's accessibility standards and aspects of the Ontario Human Rights Code that relate to persons with disabilities.

In addition, we will train:

- a) all persons who participate in developing the organization's policies; and
- b) all other persons who provide goods, services or facilities on behalf of the organization

Training of our employees and volunteers on accessibility relates to their specific roles. Training includes:

- purpose of the Accessibility for Ontarians with Disabilities Act, 2005 and the requirements of the Customer Service Standards
- our policies related to the Customer Service Standards
- how to interact and communicate with people with various types of disabilities
- how to interact with people with disabilities who use an assistive device or require the assistance of a service animal or a support person
